OUR INNATE VALUES

We value our relationships
above everything else.

We take pride in conducting
business with you.

We believe in transparent
transactions.

We always stick to the ethical
way whatever the price.

We create our own path with
innovative products and practices.

We always strive to deliver more
value for our customers.

We bring a fresh new meaning to
words like business, achievement
and life.

We do all this and more because
we do not belong...

DON'T BELONG

Skipper is a pioneer in the hosiery industry since 1968. Over the last 50 years, our mission and vision has always been to provide best quality products to our customers.

Colin is an independent premium daily wear brand of the Skipper Group founded in 1995. With our advanced and state of the art manufacturing facilities in Tirupur (Tamilnadu), we are committed to provide the best quality innerwear for all our end users.

Customer satisfaction has been our top most priority and we have achieved excellent response from the market for all our products over the last 20 years. We value our relationships and always strive to deliver innovative products and practices with transparent transactions.

In the last 25 years, we have an outreach across India with over 150 distributors associated with our brand.
